The Society was registered on 21st February 1907.

Members.—Out of a total of 366 members who had taken up 773 shares, 58 names had to be struck off for various reasons, such as death (6), resignation (4), transfer and removal for default in payment of share instalments (44). In the case of defaulters, the Secretary has expressed his opinion in favor of granting time to them on account of the seasonal difficulties that prevailed during the year. The report shows that among the members there are 10 ladies and 3 minors. The latter should not have been admitted, and their names should now be omitted.

Capital.—The Society had at the end of June 1909, a working capital of Rs. 8,265-1-0, of which Rs. 7,019-3-6 consisted of shares, and Rs. 438-0-0 of deposits, the rest being made up of entrance fees, reserve fund, interest accrued, etc. In accounting for the entrance fees of Rs. 161-10-0, a sum of Rs. 40-0-0 used up for the purchase of furniture has been unnecessarily credited to that item and shown under liabilities in the balance sheet. The entrance fees accounted for should therefore be reduced by Rs. 40-0-0.

Profit.—The transactions of the Society from the beginning resulted in a net profit of Rs. 481-5-11. Deducting one-fourth out of this towards the Reserve Fund, the amount that remained available for distribution to members was Rs. 361-0-5. A statement of profit and loss should have been given showing how the net profit was arrived at. The Society should supply this omission now.

Reserve Fund.—The amount credited to the Reserve Fund till now is shown to be Rs. 197-1-5, exclusive of Rs. 120-5-6 to be credited out of the profits of 1908-09.

The rest of the report does not call for any remarks. It is gratifying that on the whole the Society has been making steady progress which reflects credit on the Managing members.

Registrar.

THE MYSORE DASARA INDUSTRIAL AND AGRICULTURAL EXHIBITION.

OFFICE OF THE PRESIDENT, DATED LAL-BAGH, THE 4TH OF SEPTEMBER 1909.

Memo.

The Madras and Southern Mahratta Railway authorities, while granting concessions over their lines last year, had attached a condition in the case of exhibitors that the journey performed by them to Mysore in any class should not be less than 400 miles by which the concession was of no practical benefit to any exhibitors. We are glad to announce that this year they have granted the following concession for exhibitors and exhibits without any restriction as to the distance travelled by the former and it is hoped that a larger number of exhibitors will avail themselves of this liberal concession :—

Exhibits ... At first class goods rates at owner's risk.
Exhibitors ... First and second class accommodations at single fares and third class at a fare and a half for return journey.

} On production of a certificate signed by the Secretary which may be had on applying to him.

Similarly the South Indian Railway Company has also allowed the same concessions both for exhibits and exhibitors with a note that the journey performed by the latter over that line should not be less than 50 miles.

G. H. KRUMBIEGEL,
President.
